

Pillar 15

2-0-1

- Specially formulated to benefit crops with a quick start
- Excellent foliar fertilizer for balanced mineral nutrition
- Complexed with lignosulfonate

Net Contents: 2.5 Gallon (9.46 Liters)
Net Weight: 23.5 lbs (10.65 kg)

Pillar 15

2-0-1

F002873

Guaranteed Analysis:

Total Nitrogen (N)	2%
2% Nitrate Nitrogen	
Soluble Potash (K ₂ O)	1%
Sulfur (S)	0.4%
0.4% Combined Sulfur (S)	
Boron (B)	0.02%
Manganese (Mn)	0.2%
Zinc (Zn)	0.3%
Derived From: Potassium Sulfate, Sodium Nitrate, Manganese Lignosulfonate, Zinc Lignosulfonate, Sodium Borate.	

Product Specifications:

Weight per gallon	9.5
ph	3.8

Product Description:

Pillar™ 15 is formulated to be soil applied, foliar applied, or fertigated.

Notes:

Do not apply directly to seeds. 0.15 lbs of Nitrogen per gallon is from Sodium Nitrate.

Pillar™ 15, like any foliar fertilizer product, has the potential to burn foliage under some circumstances and on some crops. Prior to using it as a foliar, check with your DPH consultant to determine the minimum amount of water that needs to be added to your spray solution for your specific circumstances.

For all uses, JAR TEST Pillar™ 15 before adding it to a tank mix.

Wash face, hands, and any exposed skin thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection.

Condition of Sale and Warranty: Douglas Plant Health, Inc. warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label only when used in accordance with label directions under normal conditions of use. Handling, storage and use of the product by Buyer or User are beyond the control of Douglas Plant Health and Seller. Risks such as crop injury or other unintended consequences resulting from, but not limited to, weather or soil conditions, presence of other materials, disease, pests, drift to other crops or property, or failure to follow label directions will be assumed by Buyer or User. IN NO CASE WILL DOUGLAS PLANT HEALTH, INC OR SELLER BE HELD LIABLE FOR CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES RESULTING FROM THE HANDLING, STORAGE OR USE OF THIS PRODUCT

Crop Application Recommendations	
Soil Applied	5 gallons/acre – 25 gallons/acre
Foliar	1 gallon/acre – 5 gallons/acre

Information about the components of this lot of fertilizer may be obtained by writing to Douglas Plant Health, 1550 E. Old 210 Highway, Liberty, MO 64068 and giving the lot number which is printed on the front of the container.

FIRST AID	
IF ON SKIN:	Wash off immediately with soap and plenty of water while removing all contaminated clothes and shoes. If skin irritation persists, call a physician.
IF INHALED:	Remove exposed individual(s) to fresh air for 20 minutes. Consult a physician/poison center if individual's condition declines or if symptoms persist.
IF SWALLOWED:	Rinse mouth. Do NOT induce vomiting. Drink 1 or 2 glasses of water. Never give anything by mouth to an unconscious person. Call a poison center or doctor/physician if you feel unwell.
You may also contact 1-352-323-3500 day or night for emergency treatment information. If medical advice is needed, have product container or label at hand (P101). Keep out of reach of children (P102). Read label before use (P103).	
STORAGE: Keep container tightly closed in a dry, cool and well ventilated place. May be stored in unheated area, but keep from freezing. Store in areas inaccessible to children and pets. Do not store with strong oxidizing agents, strong acids or strong bases.	
DISPOSAL: Dispose of contents/container in accordance with local/regional/national/international regulations. Do not reuse container.	

The following precautionary statements and pictograms are based on the Globally Harmonized System of classification and labeling of chemicals (GHS) and are mandated by the Occupational Safety and Health Administration (OSHA).
